ANTI-BRIBERY POLICY

Bribery is the offering, promising, giving, accepting or soliciting of an advantage as an inducement for action which is illegal or a breach of trust. A bribe is an inducement or reward offered, promised or provided in order to gain any commercial, contractual, regulatory or personal advantage.

It is our policy to conduct all of our business in an honest and ethical manner. We take a zero- tolerance approach to bribery and corruption. We are committed to acting professionally, fairly and with integrity in all our business dealings and relationships wherever we operate and implementing and enforcing effective systems to counter bribery.

DW Mouldings Ltd are a small family run business and all monetary transactions are closely monitored by the Directors. All purchases and invoices are transparent and easily viewed on our computer system.

We will only buy timber and timber products from companies who are members of the Timber Trade Federation. The Timber Trade Federation has strict rules on Anti-Bribery which are built into their 'Responsible Purchasing Policy' guidelines that all members have to adhere to, each member is audited annually and if the rules have not been followed, that company will be removed from the federation.

DW Mouldings Ltd feel that by following this route we are doing everything we can to control anti-bribery in our supply chain.

Signed on the 22 June 2020 for and on behalf of DW Mouldings Ltd.
